## Gamer reviews

40

I have played many zombie games but this one is just too hard to actually level up your character. You have to chance to come back as a different...

100

My favorite game off all time. From the story to the music to the art style, everything and I mean everything in this game are amazing. I can't say...

70

Nothing special really, it's really boring at times it would be nice if it get's more updates I remember it being wayyyy popular then it is no...

90

Eh it's pretty good you can get 100 hours of it, I liked it. You should buy it it's worth it unless you don't want to wait for updates and all that ....
